Benefits, *Backed by Science*

Vináli™ is expertly formulated to:

- ✓ Support collagen formation for the normal function of blood vessels*
- ✓ Support normal skin health through collagen formation*
- ✓ Contribute to the protection of cells from oxidative stress*
- ✓ Support immune system function*

*Vitamin C helps to support immune system function, contributes to the protection of cells from oxidative stress and helps normal collagen formation for the normal function of blood vessels and skin.

From Farm to **Family**

High-quality products start with raw ingredients, such as the grapes in Vináli™ that are sourced from France's Champagne region.

Our scientists and doctors collaborate with farms who care as much about their products as we do.

Vitamin C

Supports collagen formation for the normal function of blood vessels, normal skin health through collagen formation, normal function of the immune system and contributes to the protection of cells from oxidative stress. Sourced from a combination of whole foods (acerola cherry, amla, green bell pepper), mineral-based vitamin C and more!

Citrus Bioflavonoids

Phytonutrients are found in most fruits, especially citrus fruits.

Grape Seed & Grape Skin Extract

Scientific studies have shown that there is a synergistic effect in consuming vitamin C and grape seed extract together. They enhance each other's benefits. This means that one plus one is not two, but more.

VITAMIN C

GRAPE SEED

Many companies use grape seed extract without any other nutrients in their products, which decreases its effectiveness. Partner.Co uses the highest quality grape seed extract available in the marketplace today and combines it with vitamin C to make it even more potent.
